

Solar panel sales model improvement

106034549 張竣皓

Outline

- **5W1H**
- **Demo**
- **Future directions**

What

選購太陽
能板

到府安裝

...?

■ **As-is model**

選購太陽
能板

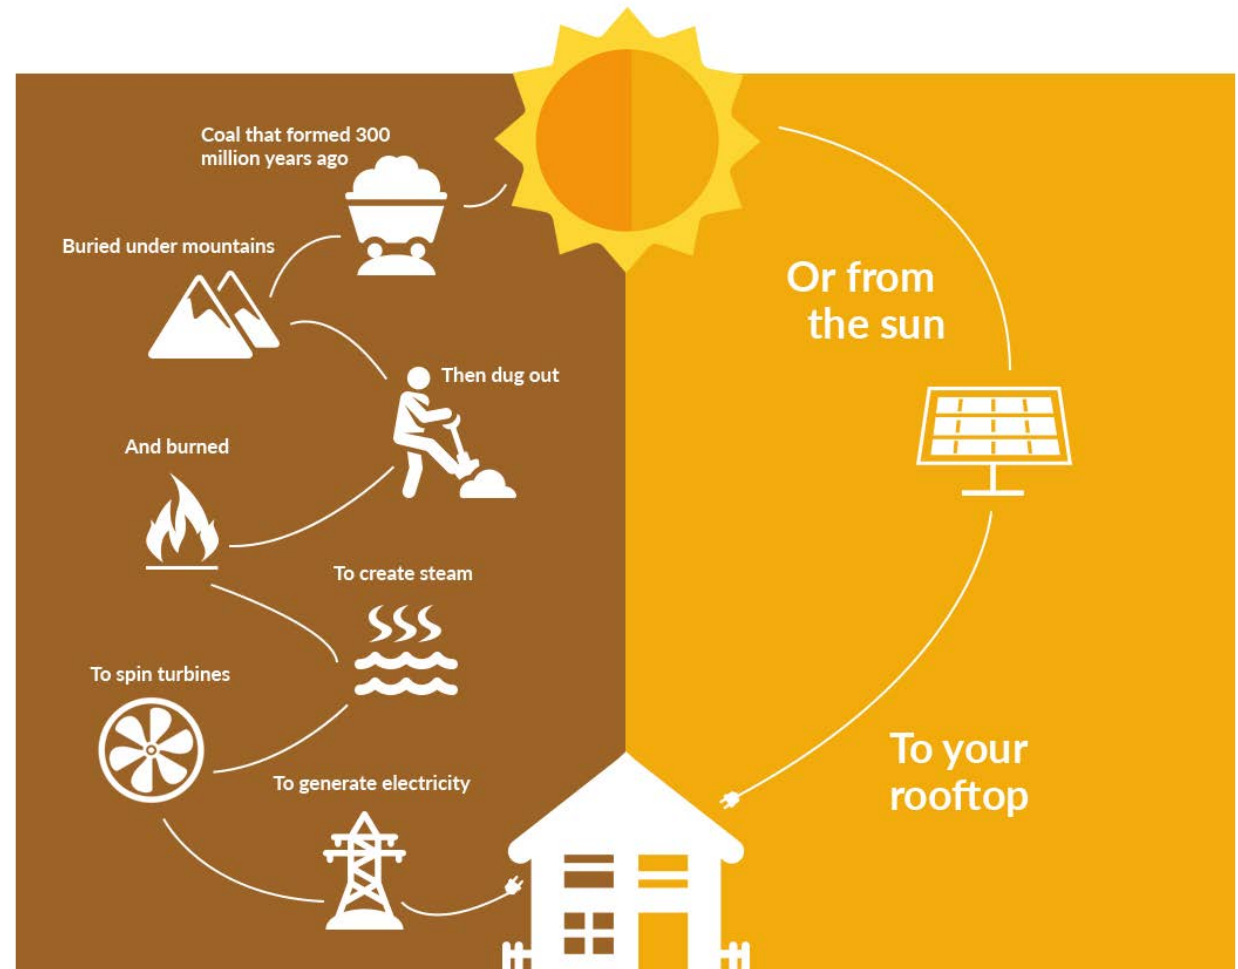

到府安裝

物聯網監
控

■ **To-be model**

- Make the world better. Attract more people to participate

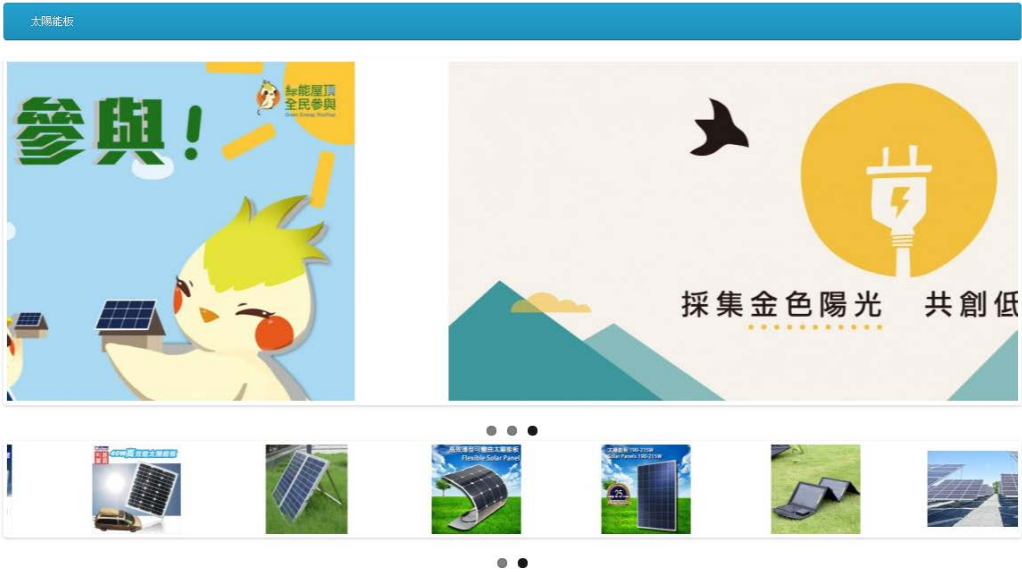

Why

- On the internet

Where

- At any time

When

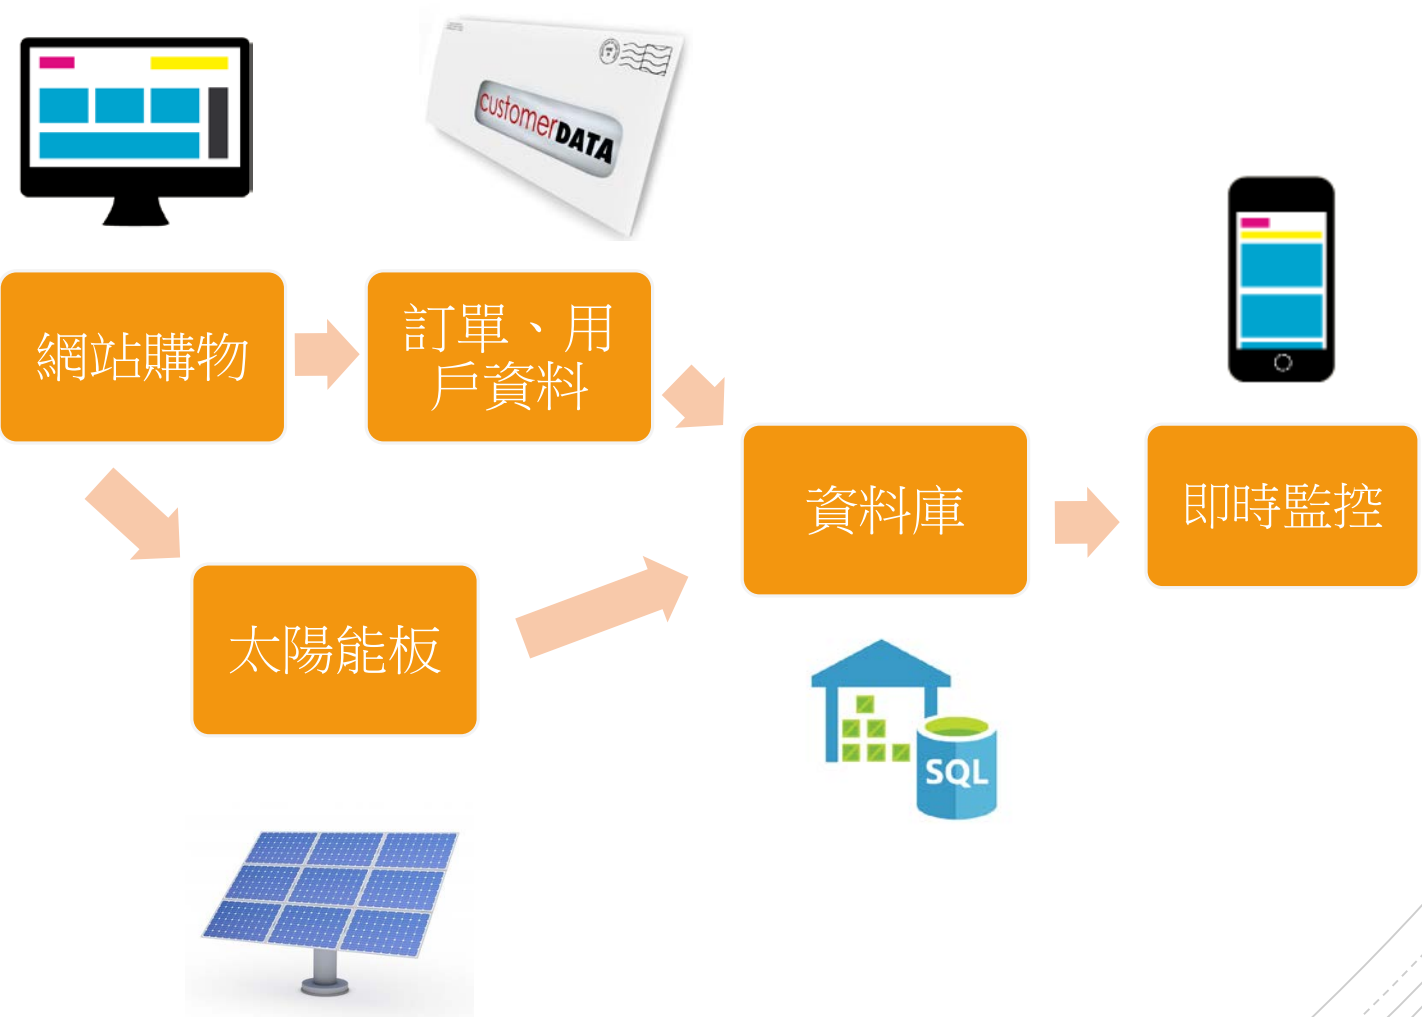

Who

- Anyone who loves the earth

How

Demo

http://140.114.54.94/group1a/HW3_106034549/solar%20panel/

■ Future directions

- Use the actual IoT device to collect data (solar panel 、 arduino).
- Website and App user interface optimization.

The slide features decorative elements consisting of multiple thin, curved lines on both the left and right sides. These lines are arranged in concentric, overlapping patterns that sweep across the page, creating a sense of motion and depth. The lines vary in style, including solid and dashed lines, and are rendered in a light gray color.

Thanks for your attentions
